

15 Sep 2011

Called to order: 7:02

Attendees: 15/51 Members

Richard Plummer, President
Steve Elsner, Treasurer

Scott Taylor, Vice President
Bill Kraemer, Richard Plummer

Club minutes and treasurer report from August 2011 meeting were accepted as published.

Safety Thought: Pay attention to detail *i.e.* ensure your servos are plugged in and that the control surfaces not only move but move in the correct direction.

Old business;

- Hook Field upgrades are finished for now and look really nice.
- Club members are reminded that at Hook Field “No person may fly alone”.
- Do not turn around on the new parking area at Hook Field. Pull straight in and back straight out.

New business:

- Fall Float Fly will be 8 Oct 2011 at Scotts Flat Res. We need to ensure we have a retrieval boat.
- Indoor flying at RSS going well at present. The club will provide safety glasses for pilots. The screen guard will be refurbished and used at turn 4. We need to police ourselves and spectators as always to help ensure everyone’s safety.
- Club approved building and buying two more starting stands for Hook Field.
- Members of the club will look for a gas powered leaf blower for Hook Field.
- The shade shelter cover will be removed for the winter, just after the first good rain.
- Chuck will start teaching mini classes on aerodynamics during the Oct. meeting.
- Sunday morning flying at RSS is going well. The weather is as perfect as it can be this time of year.
- Club approved a one time “Field Fund” fee of \$60.00 for all new club members as of 15 Oct. 2011.
- Club approved requiring all prospective new club members to attend at least one club meeting prior to paying fees and joining the club. It is understood that this is NOT a hard and fast rule; however, it will be followed as often as possible. Prior to joining the club a prospective member may fly with the club as a guest for a reasonable amount of time.
- Come prepared to nominate your best friend for club officers for 2012 in Oct.

Dumb Thumb Award: To Dennis this month for not ensuring his aircraft’s control surfaces were moving in the correct direction and destroying a one of a kind, brand spanking new Chipmunk. :(

Show and Tell;

- Tony has an indoor foamy for sale, contact him.
- Danny showed us a “Mystery Ship” a Fred Reese design from years gone by.

Door and Raffle Prizes;

- \$4.00 to Jim Tessman
- \$40.00 to Harry Stewart
- \$30.00 to Dick Brace
- \$30.00 to Chuck Erdrich
- \$40.00 to Jim Tessman
- \$40.00 to Marvin Pass
- \$30.00 to Craig Roberts

Adjourn: 8:25
